

Wesson & Harrington®

steel trigger guard & Forend spacer upgrade

Members of this web site who are owners of existing Wesson & Harrington® Buffalo Classic™ rifles in caliber 45-70 Government may now have their rifles factory upgraded to include an all steel trigger guard and forend spacer, greatly improving the overall appearance of the firearm. To have your Wesson & Harrington® Buffalo Classic™ upgraded you must complete the form below and return the complete rifle to H&R 1871®, Inc. Members receive FREE shipping a saving of \$10.00 but must include this special form.

The cost of the upgrade is \$ 59.95 plus FREE shipping and handling. Be sure to securely package the rifle and do not indicate that it is a firearm on the outside of the packaging. The rifle may be shipped either by US Mail or UPS.

Ship to:
