

Wesson & Harrington®

38-55 WCF Accessory Barrel fitting offer

Owners of existing Wesson & Harrington® Buffalo Classic™ rifles in caliber 45-70 Government, who are members of this website, may now have their rifles factory retrofitted with a 28", 38-55 WCF Target Model barrel. To have your Wesson & Harrington® Buffalo Classic™ upgraded in this way, you must complete the form below and return the complete rifle to H&R 1871®, Inc.

The cost of the upgrade is \$ 100.00 plus FREE shipping and handling. Be sure to securely package the rifle and do not indicate that it is a firearm on the outside of the packaging. The rifle may be shipped either by US Mail or UPS. This offer is only good when accompanied with this form and is only for members of this web group.
